Information about **events** happening in your area

An opportunity to ask **questions** about housing and HIV/AIDS

Sign up for HealthyHousing.ca's free monthly **newsletter**

## HEALTHY HOUSING <sup>CA</sup>

HealthyHousing.ca, a National HIV & Housing Portal, is a space for people living with HIV/AIDS, service providers and researchers to learn more about issues related to HIV/AIDS and housing. We gratefully acknowledge the support of our community partner, the Ontario HIV Treatment Network.
